Nushagak River Adventures Lodge

The reviews are in...Our guests give us five stars for thoughtful hospitality, incredible meals and desserts, top quality lodge and cabins, boats, guides and gear! Nushagak River salmon fishing is the best in Alaska, and our professional guides catch lots of fish! Our welcoming staff is pleasant, professional, and safety conscious. A remote and serene location takes you away from crowds and heavy fishing pressure. Our lodging is heads and shoulders above the tent camps and other lodges, plus we serve 5 star cuisine that is truly memorable. Our operation is run smoothly, with excellent business practices, updates and communication. Visit us at FishTheNush.com to learn more and request open dates or call Pete to book.
